Spiritual Satanism for beginners

If you are new to Satanism, I encourage you to read everything at this network.

[The Truth About the Human Soul \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAx4jgvP)

Some of these pages are outdated.

I am working on revising these, but most of the information is self-explanatory.

Many questions can be answered by personal study.

Satanism is knowledge and study.

[Dabbling in Satanism \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

Once you have studied this network, if you are serious about wanting to make a commitment to Satan, this will be your initiation into Spiritual Satanism.

[The Truth About Satan's Power \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

After you have performed your commitment ritual, you should begin a power meditation program.

Power meditation is the foundation of Spiritual Satanism.

Here are some answers to questions that are frequently asked, concerning Spiritual Satanism:

1. Your sex life is your own personal business.

[Why Christianity Attacks Sexuality \(basecamp.com\)](https://basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

This also includes those who choose to remain sexually inactive, or who are asexual.

Your sex life, however, you choose to live it is your own business!

2. Recreational drug use is your own business and your own judgement.

[CANNABIS \(basecamp.com\)](#)

Responsibility to the responsible.

Spiritual Satanism advocates empowering the soul without the use of artificial stimulants or mind-altering substances, but this is up to the individual.

3. Satan does not demand slavish worship.

[YHVH: The Truth About "Yahweh" AKA "Jehovah", the LORD \(basecamp.com\)](#)

He does not expect us to be "sorry."

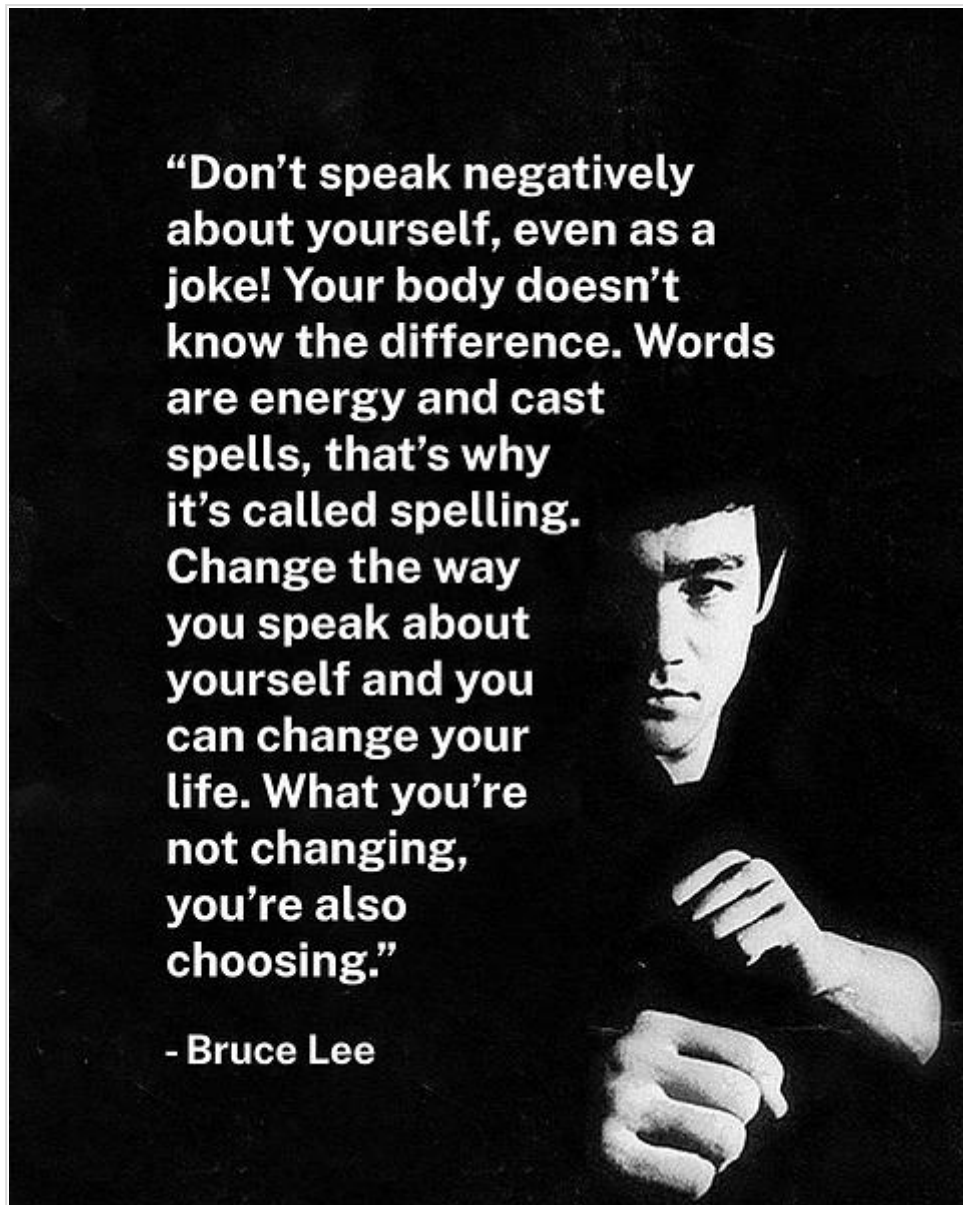

Satan gives us knowledge and expects us to apply that knowledge in advancing our powers and our soul.

4. Satanic prayer is sending energy.

For example, if a loved one is sick, we would send him/her healing energy.

To communicate with Satan and his Demons, we do this telepathically.

[The TRUTH About DEMONS, the Gods of the Pagan/Gentile/Goyim \(basecamp.com\)](#)

This sort of thing will come with power meditation and opening your mind.

5. Weekly rituals are great for new people in opening the soul to Satanic energy which is very beautiful.

6. People coming here who were former Christians, need to read about the Christian Program.

[The Truth About Christianity_\(basecamp.com\)](https://basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

By reading through the pages within this network, you will see the truth.

The world has been indoctrinated and force-fed lies for centuries through Christianity and its cohorts.

Christianity is a lie and nothing more than a program to remove spirituality.

[Christianity, Communism, the Jews, & the Bible \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

[Anunnaki Geneticists Created Our Bodies, NOT Our Souls \(basecamp.com\)](https://basecamp.com/p/zESBvjfYE1aqxowINAx4jgvP)

Few have experienced real spirituality, empowering the soul and so forth, due to centuries of lies.

Through learning and empowering ourselves, anxieties and fears are banished, and we become strong in wisdom and knowledge.

[Ancient Wisdom \(basecamp.com\)](https://basecamp.com/p/zESBvjfYE1aqxowINAx4jgvP)

7. If you are under-age and living in a Christian home, Satan understands.

Do the best you can until you are of legal age and can practice your religion freely.

Satan wants his people to be safe.

"Do not mention my name nor my attributes, lest ye regret it; for ye do not know what those who are without may do."

have about as much understanding of Satan and Satanism, as do the Christians.

One of the most widespread misconceptions is that upon making a commitment to Satan, one can expect all kinds of free goodies, like a trip through Disneyland, so to speak, along with extreme wealth and riches.

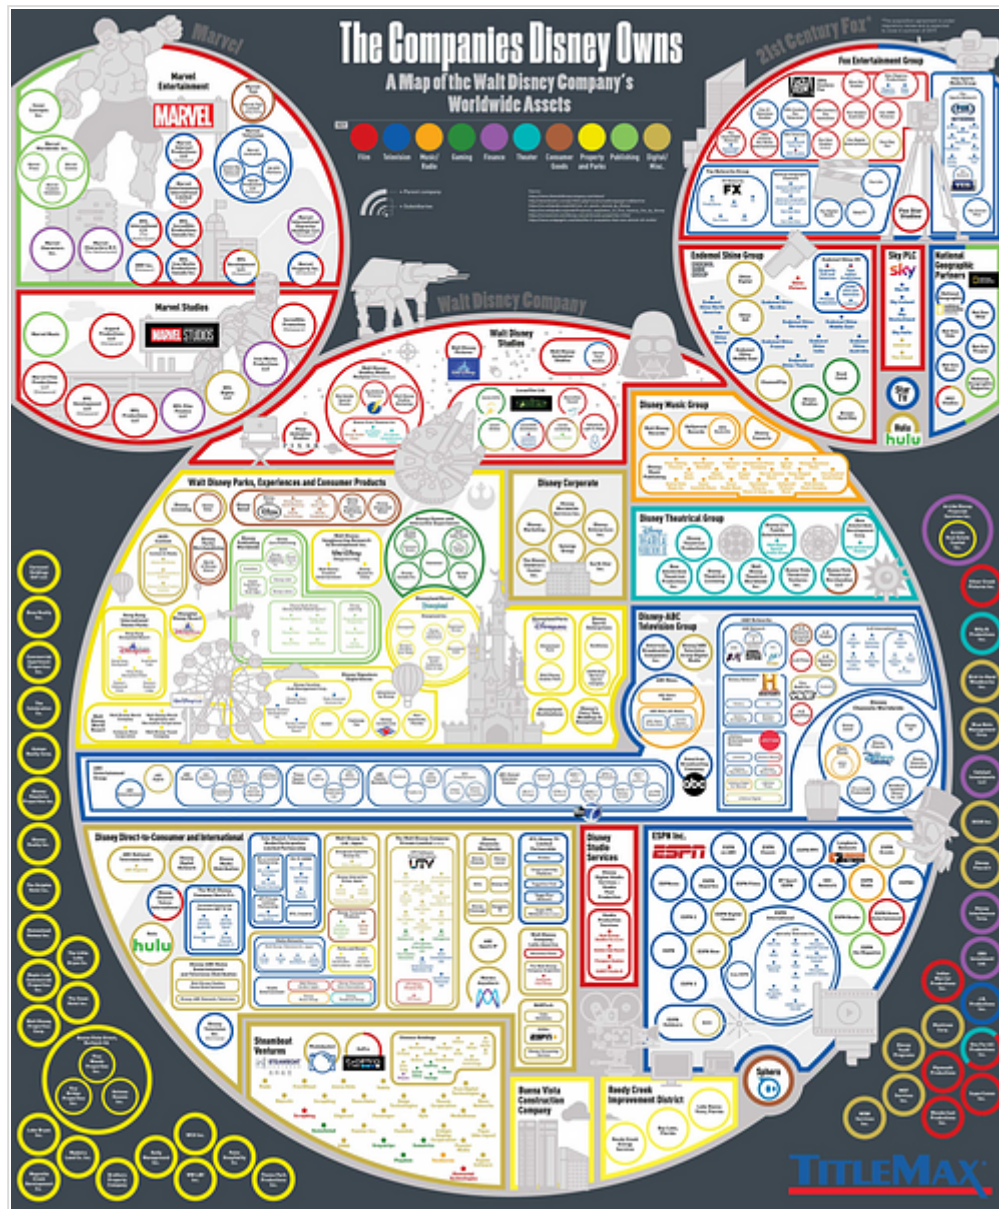

image.png

[Disney Bloodline \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowNAX4jgvP)

People who believe this are in for a rude awakening.

Satanism is the elite of religions.

[TOP 10 Forgotten Ancient Religions \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowNAX4jgvP)

Like Special Forces in the military, we are those who have special abilities; those who are feared and respected by many.

The goal of Satanism is that of becoming a god.

Unlike all the other so-called **“religions”** that repress the human spirit, Satanism liberates and empowers the soul.

image.png

After we perform the dedication ritual, Satan begins investing in us.

We discover talents and creative abilities we never even knew we had.

We become much stronger and more confident through striving to put these to use and in bettering ourselves.

Contrary to what Anton LaVey wrote in the Satanic Bible, Satan does not approve of

- sloth
- laziness
- apathy [not caring about anything]
- drug abuse

and being unmotivated.

image.png

[Horns Up, Crosses Down! Anton LaVey Was a Zionist Gunrunner \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowINAx4jgvP)

This isn't to say we aren't free to do as we please in our off time, but Satan expects us to make something of ourselves.

Satan is a good Father to his children.

He gets on to us when we are doing something destructive or detrimental to ourselves.

He motivates and guides us to be the best we can be.

Inner strength and confidence come from knowing one is able to defend one's self and not have to rely upon others.

Being an adept at all aspects magick takes

- time
- effort

- dedication

[The Truth About Witchcraft \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

Controlling our own minds, instead of our minds controlling us is not easy.

Our minds were designed to undermine us.

This is obvious.

Our minds are structured to keep us ignorant and as slaves, preventing us from becoming as the Gods.

We are amnesiacs when it comes to former lives.

The education and talents we once had in previous lifetimes are lost and we must relearn everything again, over and over.

An uncontrolled mind can drive one to unnecessary worry, stress, disturbing thoughts and in the worst cases, insanity.

Weak people suffer more from this in the long run.

- Fears
- insecurities
- uncontrolled emotions

are free to torment us day and night.

Those who refuse to better themselves are at the mercy of fate.

Fate can be cruel and unforgiving.

"Today is NOT the first day of the rest of your life."

Every action you have taken up to this point has established a foundation and pattern in your life.

This isn't to say this is permanent, as everyone can change, but change will not come without plenty of effort.

Unlike those who are without, we have Satan to direct and guide us.

Satan knows everything about us, inside and out and where we are headed.

He is all-knowing and can save us from making some very serious mistakes, but those who do not care and make no effort to better themselves can find themselves without.

Satan is always there to help and guide those of us who make an effort to better ourselves.

Satanists are encouraged to

- live life to the fullest
- to grow
- to evolve
- to empower ourselves.

This is true spirituality, unlike the other religions that destroy the soul by advocating their followers do nothing and abstain from life.

[True Spirituality \(basecamp.com\)](https://basecamp.com)

As a result, they become nothing and eventually slide into spiritual degeneracy.

Spiritual Satanism differs from LaVeyan Satanism.

We are not atheists!

In spite of major discrepancies, the Church of Satan, founded 1966, by Anton Szandor LaVey, presently takes an atheistic stance as far as external deities are concerned, and views Satan as only an **"archetype"**.

In light of new knowledge based upon hundreds of hours of intense and in-depth research, we have discovered the following:

1. Satan is our True Creator God.

"YHVH" otherwise known as "Jehovah" by the deluded, is a false entity.

image.png

[The Truth About Lucifer, Yahweh, the Harvest of Souls, & the Ascension \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAx4jgvP)

"YHVH" stands for the four elements and corners in the popular Jewish systems of magick that are available to the public:

[YHVH: The Truth About "Yahweh" AKA "Jehovah", the LORD \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

2. The character "Jesus Christ" is fictitious and was stolen from some 18+ Pagan legends of a God hanging from a tree, such as Odin, then being resurrected, and is another description of the alchemical operation of transforming the soul- death and then resurrection.

[The Truth About "Jesus Christ" \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

The Nazarene is and has never been anything more than a tool to remove all true spiritual knowledge and disarm the populace of their spiritual powers.

Humanity has paid to the tune of trillions upon trillions of dollars, and with sickness, misery, and suffering due to the removal of this knowledge.

Spiritual knowledge was systematically destroyed, twisted, and corrupted to SPIRITUALLY AND FINANCIALLY ENSLAVE US ALL.

image.png

[According to the Andromedans, the Greys Have Enslaved Our Souls \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP).

By force-feeding the populace that the Nazarene is a real entity, those at the top have maintained control and have reaped untold wealth and power.

3. True Satanism preceded Christianity by thousands of years and is based upon total transformation of the soul.

Christians are deluded into **"accepting Jesus Christ"** and **"living saved"** which is all false.

Everything in the Christian religion is false and we prove this beyond all doubts.

The Christian **"saved"** hoax is based upon stolen and corrupted knowledge of alchemy, where one truly works spiritually to transform one's soul into godhead.

Many Traditional Satanists worship Satan/Lucifer.

Some acknowledge him as a friend and do not worship.

We respect individuality and personal choices.

One's relationship with Satan/Lucifer is up to the individual, as Satanism values free thought and individuality.

Satan is the bringer of knowledge.

Unlike most religions, Spiritual Satanism encourages one to question everything.

Spiritual Satanism does not in any way conflict with science.

We strongly encourage and support all scientific knowledge and inquiry.

We are well aware humanity is dangerously behind in scientific knowledge and understanding due to centuries of oppression by Christianity.

We believe that all spiritual and paranormal phenomena can be scientifically explained in a rational manner; scientific knowledge has not yet progressed far enough to comprehend or explain much of the so-called "**supernatural.**"

image.png

[Ghosts \(basecamp.com\)](https://basecamp.com)

There are no mediators in Spiritual Satanism.

We strongly encourage our people to interact one on one with Satan.

The ministry is here for guidance and support only.

One's relationship with Satan is between that individual and Satan.

We take the stance of **"responsibility to the responsible."**

We place no limitations on knowledge or personal power and do everything we can to make all knowledge available to EVERYONE- not just a select few who are a self-appointed **"elite"** as with other religions.

image.png

[ELITE BLOODLINES \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

Satan encourages self-study, learning, direct experience.

Most Spiritual Satanists make a commitment to Satan.

The commitment is very important because Satan protects us as we work to advance our powers.

Those who go it alone or without any spiritual protection often meet with disaster.

Once one makes a commitment, Demons often guide us and work with us to help us advance.

Unlike right hand path religions, Spiritual Satanism encourages action.

Satan wants his people to live life to the fullest and to evolve.

Satan is always there for us, but as we progress, he expects us to handle things, as we are able to, for ourselves, using our own powers.

Christianity and its cohorts deliberately make cripples out of people.

Christians forever rave about how their Nazarene has healed people.

These people remain as slaves because they are never taught how to, nor are they required to heal themselves or others.

The Nazarene archetype stands for slavery, servitude, and enduring endless abuse in order to program humanity to be the perfect slaves in a new world order.

The Nazarene places total emphasis on the "afterlife" in order to create the mindset that the life we are now living does not matter.

This frame of mind is essential for enduring all kinds of abuse for the benefit of a few.

"It has served us well, this myth of Christ" -Pope Leo X [1475-1521]

As for the so-called "miracles" connected with Christianity, any healings have been very few and far in-between.

These are also based upon allegories related to transforming one's soul.

Any human being with spiritual knowledge and power can accomplish all of the feats attributed to the Nazarene in the bible, and more.

Most Christians are unaware that they are dealing with nefarious aliens [enemy Nordics also known as "angels" and another ET race known as the Greys], who put up a show every now and then to give credibility to the lie.

With the New Age practitioners, many call upon angels for assistance and learn nothing.

The same theme of human ignorance and powerlessness prevails.

Satan/Lucifer is the True Creator God of, and the great liberator of humanity.

He does not fear humans having spiritual power and knowledge because he is truthful and has nothing to hide.

Satan gives us the knowledge to become independent and free.

He directs us to be masters of our own lives and destinies.

Satan and his Demons are always there to help us when there are things we cannot yet handle.

Satan keeps his promises; he is consistent and loving with his own.

Satan stands for

- freedom
- strength
- power

and justice.

Satan shows us it is NOT OK for us to take abuse.

He shows us that we are deserving of pleasure, happiness and a better life.

He created us through genetic engineering, the same as scientists are now creating clones and working with genetics, but only on a much more advanced level.

Many people disregard so-called "occult" power, they do not take it seriously or are otherwise completely ignorant concerning it.

The truth is, occult power has been in the hands of a few for centuries.

Christianity has been their tool for removing this knowledge from the populace.

Following the removal of knowledge, a fictitious past was invented to keep people from knowing the truth.

People who do not understand or are unfamiliar with these skills are at the mercy of those who have them and who are adept at using them.

Thousands of years ago in Ancient Egypt, this power was well known and most of the populace knew how to use it.

With the arrival of Judeo/Christianity and Islam, knowledge was systematically destroyed

wherever it was found.

Cities, libraries, and any other sources of knowledge were destroyed in an attempt to annihilate all knowledge of the Original Gods [who are extraterrestrials] and the powers of the human soul.

[The Truth About Extra-Terrestrials \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

The Gods who interacted with, intermarried or befriended humanity were cursed and banished.

[HIGH RANKING GODS & CROWNED PRINCES OF HELL \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

Humanity has been cut off from our True Creator God Satan and has devolved ever since.

The abuse of children, animals, careless destruction and disregard for the environment, the earth, and other living creatures are some of the effects of spiritual degeneration.

Thousands of years ago, long before the coming of Judeo/Christianity, humans lived side by side with the Gods in the era known as **"The Golden Age."**

Satan is the Sumerian God known as **"EA"** or **"ENKI."**

[Enki IS Satan \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

He is a GOD, not an angel!

He has been denigrated and slandered through the centuries with falsehoods and lies.

Most people do not know Satan.

image.png

They believe everything they are told about him without question.

Fear is a powerful tool that has been used for centuries to keep humanity away from Satan.

Satan is the most brilliant and powerful of the Gods.

He is symbolized by the Water Bearer of the sign of Aquarius, the 11th sign of the Zodiac.

Aquarius is the sign of

- humanity
- technology
- genius

One of Satan's numbers is 11.

Satan/Enki established the Ancient Egyptian Order of the Serpent, also known as **"The Brotherhood of the Snake."**

image.png

[Brotherhood of the Snake \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP).

Through the millennia, the teachings have been corrupted and no longer resemble the original doctrines.

This Order was to bring humanity godly knowledge and power and to complete the Great Work of transforming our souls.

This knowledge has been kept in the hands of a few and abused to the detriment of us all under the direction of the enemy gods.

People are told if they are given this power, they will abuse it.

This is another lie created and spread by those who deliberately use these powers for nefarious ends under the direction of the enemy extraterrestrials masquerading as **"Jehovah"** and company.

To reveal these well-kept secrets to the average person would assure that those in control

would no longer retain their power.

The Gods are an extra-terrestrial humanoid race of beings.

[A-Z List of Aliens Operating on Earth Throughout History \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowNAX4jgvP)

In the Christian bible, they are referred to as the **"Nephilim."**

These beings are very evolved, highly advanced, and immensely knowledgeable and powerful.

They genetically modified their DNA, so they do not age.

In the Simon version of the Necronomicon [this book is based upon Mesopotamian/Sumerian mythology, even though classified as a work of fiction], the phrase: **"When the Great Bear hangs low in the sky"** refers to the constellation Ursa Major, part of the Big Dipper.

When the planets align a certain way, it opens up a travel line for space travelers.

[SECRET SPACE PROGRAM \(basecamp.com\)](https://basecamp.com/SECRET-SPACE-PROGRAM)

People are always looking to the sky for when the Gods will return.

Humanity's sole purpose was for use as slave laborers in the mines for the Nephilim.

We were to be destroyed after the gold mining project was completed.

[THE ANUNNAKI \(basecamp.com\)](https://basecamp.com/ANUNNAKI)

Satan, along with many of the Nephilim fathered children with human mothers.

These offspring were known as "**Demi-Gods.**"

Satan is incredibly

- strong
- brilliant
- powerful

He refused to admit defeat.

He lost a battle, but not the war.

SATAN/LUCIFER STANDS FOR FREEDOM FROM TYRANNY!

DOES SATAN REALLY EXIST?

Yes.

He interacts with his Disciples and followers.

Many of us have seen him, we have witnessed the so-called supernatural, and we have been given abilities way beyond that of the average person.

When we ask, we get answers.

Unlike other religions, where followers have to go searching for their gods, Satan/Lucifer comes to us.

He lets us know of his presence.

Demons, as opposed to all of the Christian lies, are friends of humanity.

Demons, who are the Original Gods, give us much individual attention and protection, once a strong and trusted relationship is established.

When we are close to, and under the protection of Satan, he gives us good Demons to work with.

Their Sigils contain very important designs of alchemical symbols related to the opening of the soul.

Satan is not **"evil,"** nor is Satan responsible for the multitude of illnesses, diseases, or anything else that afflicts humanity.

These afflictions are due to the removal and destruction of ancient knowledge that was replaced with the Christianity programs.

Satanism stands for the balance of spirituality with technology. Without this balance, civilizations eventually collapse.

"Hell" is not a burning lake of fire.

Hell is not inside the Earth, as some foolish Christians claim in order to frighten people.

The Christian concept of Hell is very ludicrous.

Some of us, who are close to Satan, have seen Hell, all seem to have had the same experiences.

Some places in Hell are dark and illuminated by a blue light, and in other places, there is daylight.

One of Lucifer's colors is blue, and Demons often appear with a blue light.

[LUCIFER'S DILEMMA AND THE POWER OF ANU \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

Blue is a very spiritual color.

[The Magickal Properties of Color \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

I saw people sitting around a table in a bar in Hell, playing cards.

[Death, Hell & the Afterlife \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

The room was smoke filled, these people, already being dead, could smoke to their hearts content.

[The Truth About Modern Cigarettes: What They Don't Want You To Know \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowINAx4jgvP)

These people were in spirit form.

Some visit the earth to help humans who are on the Left-Hand Path.

This is where Satan keeps his own people until we can reincarnate and evolve into godhead.

"Hell" and the "Lower world" are also allegories for the three lower chakras: "Hell" representing the base chakra.

The reason for this is the fiery kundalini serpent lies coiled beneath the base chakra and when roused, it can be scorching hot.

image.png

[Satanism & the Kundalini Serpent \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowINAx4jgvP)

As opposed to hysterical Christian claims, Satanism is not in any way about blood sacrifice.

All kinds of murder and living blood sacrifices can be seen all throughout the Judeo/Christian bible.

image.png

[The Truth About the Bible \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

The serpent/snake, which symbolizes Satan, represents the Kundalini at the base of the spine, also the DNA.

The serpent represents life.

When this force is activated, we are healed and enlightened.

[The Truth About Christianity_\(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

Unfortunately, the Christian Church has worked relentlessly to remove knowledge, suppress freedom of the press and free speech, and attack Satan.

Satanism is a major threat to many who wish to retain control and power as Satanism places control and power in the hands of the common people.

Satanism has been deliberately and viciously attacked for centuries and followers have been severely persecuted.

Enemy programs that masquerade as so-called "**religions**" have been free to promote their own lies and horror stories about Satanism to keep people away, by using a lack of knowledge along with fear.

This has led to much ignorance and confusion concerning Satanism and has had a most unfortunate effect on many who have had misunderstandings along with no one to answer their questions when seeking Satan.

Satanism is VERY spiritually intense.

For those of you who were raised in Christian homes, or were atheists, this intensity of spirituality can be surprising or even come as a shock.

Enemy programs such as Christianity and Islam are spiritually dead; in other words, nothing happens, and on the rare occasion something does, it is of a weak nature.

[The Jewish Programs \(basecamp.com\)](https://public.3.basecamp.com/p/zESBvjfYE1aqxowiNAX4jgvP)

Programs such as Christianity are based upon stolen and false practices and the spirituality was deliberately removed.

As opposed to Christians who pray and keep praying with no answers, Satanists get blatant answers, and I don't mean twenty years later!

Many of us have had similar experiences as Spiritual Satanists, but we are all individuals.

Experiences will vary, and what one person may experience, another may not.

This all has to do with how advanced your soul is in this lifetime.

Those who meditated regularly in past lives, regardless of who they are, are more open and psychic than those who never worked at these disciplines.

For those who are new, here are some of the things you can expect:

Strange and frequent coincidences, usually of a positive nature.

Voices that may give you good advice or inform you of something you didn't know or something that will happen.

Please be aware that the voices of our Gods [Demons] DO NOT give us negative prophesy.

When we begin meditating, we open our minds and souls to the astral.

How open we are in this life depends upon the strength of our soul coming from past lives.

Just as Christians and Muslims force their lies and programs onto others; this is no different from the spirit world where enemy spirits who are behind those programs can harass us, especially those of us who are more open psychically.

These entities are human-hating and are known for giving negative prophesies.

They are also prolific liars.

Upon doing the dedication to Satan, we are under his protection.

When we open our minds, we are more sensitive to the astral world, which is very real.

There are numerous articles on this website that give effective advice in regard to controlling this sort of harassment in both the spirit and in the material world.

Vivid dreams, especially if you have been studying a lot about Demons.

Usually these dreams aren't negative, just vivid and intense.

Many things happening early on can be stimulating and exciting.

Remember this is something new and can take some getting used to, as you are establishing strong, permanent spiritual relationships that will help you immeasurably.

Now, at some point, usually when you are feeling somewhat confident, Satan will more than likely show you what is wrong with your life.

Satan knows everything about us and where we are headed by our actions, lack of initiative or whatever the case may be.

If we are doing something that will have a detrimental effect on our lives down the road, he will often let us know, blatantly.

Consistent meditation also brings awareness, and we will notice and see things that most others are oblivious to.

This can be bewildering and even downright frightening to some, especially with all the lies and false horror stories spread by the enemy for centuries.

There is no cause for alarm.

He is only getting onto you because he cares.

Sometimes he will send a Demon to direct us, as he did with me and I am to this day, deeply grateful.

The Demon might get strict or do whatever will get you to listen up and change.

NEVER WILL SATAN OR HIS DEMONS TELL YOU TO DO ANYTHING HARMFUL OR DETRIMENTAL TO YOURSELF OR OTHERS!

These kinds of experiences come from Christian angels and other entities that have nothing to do with Satan or any of our Gods/Demons.

Always remain open. If you are having problems understanding something or are confused, you can ask Satan to help you and he will.

Remember, ALWAYS show respect and reverence for Satan and our Demon friends and they will reward you with much wisdom and knowledge that outsiders will never have.

The so-called "**supernatural**" is often a part of our daily lives as Satanists.

This is something positive.

Satan will reward you with a sense of spiritual and inner strength that will pull you through anything.

Psychic gifts begin to open to us more and more, along with confidence and deep understanding.

It is important to keep a strong positive attitude and don't listen to bunk and the false stories told by those who know nothing about Satan, or Satanism.
